

JAVA PROGRAMMING LANGUAGE COURSE

Kiyan Training & Placement Institute – Vaishali Nagar, Jaipur

Java is a powerful, object-oriented programming language widely used for building secure, scalable, and high-performance applications. This course is specially designed for students, beginners, freshers, and working professionals who want to build strong programming skills and start a successful IT career as a Java Developer, Backend Developer, or Full Stack Developer.

Course Overview

The Java Programming Language Course at Kiyan Training Institute focuses on practical, project-based learning with real-world development concepts. Students learn Core Java, OOP concepts, Collections, JDBC, Multithreading, Exception Handling, File Handling, and Java Advanced Concepts through hands-on coding practice. The training program also includes live projects, interview preparation, resume building, mock interviews, and placement assistance to help students become industry-ready software professionals.

Java Program Highlights

- Comprehensive Java training from basics to advanced concepts
- Industry-oriented practical learning approach
- Hands-on coding exercises and assignments
- 5 Live Projects & Real-Time Scenarios
- Expert Trainers with Industry Experience
- Career Guidance & Placement Assistance
- Interview Preparation & Resume Building
- Small Batch Size for Personalized Learning
- Course Completion Certificate

Course Information

Course Name	Java Programming Language
Course Fee	■39,999/-
Duration	3 Months / 6 Months
Projects	5 Live Projects
Learning Mode	Online / Offline
Placement Assistance	Yes

Java Curriculum

Introduction to Java

- Overview of Programming Concepts
- Features of Java & JVM Architecture
